

R307-215

2. Title: Emission Standards: Acid Rain Requirements.

3. Type of notice: Repeal

4. Purpose of the rule or reason for the change:

The purpose of the change is to move the incorporation by reference of 40 Code of Federal Regulations (CFR) Part 76 in R307-215 to R307-417, so that all rules that deal with the Acid Rain program are in one rule (see separate filing on R307-417 in this issue). This amendment is part of an overall revision to rules that will streamline the process of updating the incorporation by reference of the CFR throughout R307 (see separate filings on R307-101, R307-115, R307-170, R307-221, R307-222, R307-223, R307-224, R307-310, R307-401, R307-410, R307-417, R307-801, R307-840 in this issue). If requested, a public hearing will be held Wednesday, 12/19/2007 at 2:00 p.m. in the Main Conference Room of the Environmental Quality Building located at 150 N 1950 W in Salt Lake City. If no request for a public hearing is received by 12/14/2007, the hearing will be cancelled. After 12/14/2007, you may go to <http://www.airquality.utah.gov/Public-Interest/Public-Commen-Hearings/Pubrule.htm> or call 801-536-4136 to determine if the public hearing has been cancelled. A request for a public hearing may be submitted by electronic mail to mcaryl@utah.gov or by calling 801-536-4136.

6. Summary of the rule change:

The Utah Air Quality Board is proposing to move the incorporation by reference of 40 Code of Federal Regulations (CFR) Part 76 in R307-215 to R307-417, so that all rules that deal with the Acid Rain program are in one rule (see separate filing on R307-417 in this issue).

7. Aggregate anticipated cost or savings to:

- a. State budget:** No costs or savings are expected because the cost of DAQ's review are covered by fees paid by applicants.
- b. Local government:** No adverse economic impact is expected to occur, because these provisions will be adopted under another rule.
- c. To Small Businesses and Other Persons:** Small Businesses: No adverse economic impact is expected to occur, because these provisions will be adopted under another rule. Other Persons: No adverse economic impact is expected to occur, because these provisions will be adopted under another rule.

8. Compliance costs for affected persons:

No adverse economic impact is expected to occur, because these provisions will be adopted under another rule.

9. Comments by the Dept head on the fiscal impact the rule may have on businesses:

No adverse economic impact is expected to occur, because these provisions will be adopted under another rule. (Richard W. Sprott, Executive Director, Department of Environmental Quality)

10. Authorizing statute: 19-2-104

11. Materials incorporated by reference?

12. Public comment and hearing info: December 19, 2007 Main conference room 1950 W 150 N. Salt Lake City, UT.

13. May become effective on: February 7, 2008

14. Keywords: acid rain, air quality, permitting authority, operating permits
